Coleman Town Council Meeting

Coleman town council met Tuesday evening, November 5th, when Councillor Joe Hanrahan reported on the meeting members of the council had with Provincial Ministers Norman Willmore, Mr. Rierson and Mr. H. Stromm in Fort Macleod last week.

The delegation was well received by the ministers who heard the request made by council regarding the dire need of dredging the Crows Nest River in West Coleman to relieve the problem of flooding basements.

Mr. Stromm advised that no money had been set aside for this type of work and Mr. Willmore advised that they had been asked to keep a tight belt on expenditures. He felt, however, that if the matter were of an emergent nature, that an order-in-council could be passed to get the work done this year.

Councillor John Holyk reported that the Hon. Mr. Willmore had visited Coleman the following day, and had a first-hand look at the entire situation. He was brought on a tour of the culverts and the drainage ditches in West Coleman, and was taken to the Crows Nest River to see the area that had to be dredged. It was felt that about one-third mile of river bed would have to be dredged and Mr. Holyk added that Mr. Willmore had said that he felt a special warrant might be obtained to do the required work.

At a recent meeting of an Assessment Commission attended by representatives of the Crows Nest Pass towns, it was learned that the base assessment has been increased. Town secretary Trevor Collier advised the Coleman council that he felt that this could possibly mean an increase of five mills in taxes. He suggested that a representation visit the Advisory Board in Edmonton, to protest this motion. A motion was made by Joe Hanrahan that the secretary get in touch with the other towns and a delegation go to Edmonton without further delay, as this was a very important matter.

Mayor Ostash requested that a simplified financial statement—showing the Town of Coleman's present cash position, be drawn up for publication before the end of the year. He felt that since some of the council will be up for re-election next year, that this statement should be published now, so that any later misunderstandings

would not result.

Three years ago, he said, the town was \$80,000 to the good, but today a different picture exists. Councillor Holyk added that taxes will have to be increased next year.

It was reported to council that persons were erecting various fences and structures in the town cemetery. A motion was made that before any improvements or construction of any kind be made in the cemetery that a permit must be secured from the town office. Reports also indicated that several plastic grave caps had been damaged by young persons throwing rocks on the graves.

Council approved purchase of a plaque to be erected in the Coleman arena where an extension is being built to serve as a community centre. The addition is being built in a joint effort with the I.D. and the town pooling their recreational grants totalling \$24,100. The present community library will be moved into the recreation centre when the building is completed.

Approval was given by council to purchase of 100 yards of screened gravel for winter sanding at a cost of 70c per yard. Approval was also given for the purchase of a flasher light to be mounted on the town's snow plow.

Chief of Police Ed Corson reported that there was little damage done on Halloween night with the exception of the usual pranks. He informed council several men had been hired for the night.

The police will be asked to check persons leaving their cars parked on the street during the day while they are away at work, as this practice causes a great inconvenience to the town crews while attempting snow removal work.

Council have changed council meeting nights which will, after meeting night, be held on the second and fourth Tuesday of each month. A water analysis report showed that the town water supply showed a negative count and there was no bacterial contamination.

Approval was granted for the purchase of two firemen's dress hats for brigade members.

Curling Club Elect New Executive

At a recent meeting of the Coleman Curling Club the following were unanimously elected to office for the 1963-64 season.

President, Gordon Fisher; Vice President, Colin Blanchflower; Secretary, Earl Christiansen; Treasurer, Lorne Perschweiler; Rink Manager, Geo. Jenkins; Draw Masters, Bill Fraser and Trevor Collier; Bonsel Committee, Chick Roughhead and Ron Cullings; Publicity, Ted Kryczka and Chick Roughhead.

The club will allow exhibition games to be played this week providing arrangements are properly made. A club bonspiel will be held on Sunday, Nov. 24th. All interested are asked to contact the secretary or to place their names on the bulletin board.

League play will probably commence on Nov. 26th. All skips and interested curlers are asked to get their names and entries into the secretary as soon as possible.

Life magazine reported that a survey of 25 merchandise-minded builders from coast to coast showed that builders credit 60 per cent of their sales to newspaper ads.

Former Colemanite Passes in Vancouver

Word was received last Saturday of the death of Mr. Neil MacKinnon in Vancouver, a former well known and highly respected citizen of Coleman, who had been in ill health for sometime.

He is survived by his wife Jean, three sons Donald of Calgary, and Dixon and Jack of Vancouver, one brother Dan of Surrey, B.C. and two sisters (Minnie) Mrs. George Campbell of Iron Mines, Nova Scotia and (May) Mrs. Rod MacKinnon of Olds, Alta.

Funeral services were held from St. Andrew's United Church, Vancouver on Tuesday at 2 p.m.

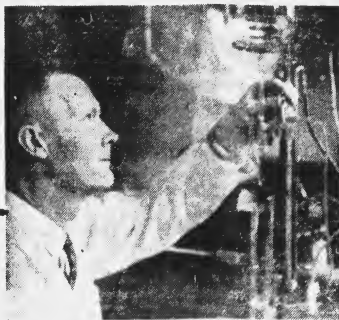

C.W.L. Announce Rug Winner

The Coleman Catholic Women's League announced last week that the draw for the Oriental rug was made, and it was won by Joe Lepack of Coleman.

The winning ticket was drawn by Carol Hurd at a bingo held in the Catholic hall.

Proceeds from the draw are for Catholic Women's League work.

General Motors shareholders—common and preferred—total 1,050,000. Over 75 per cent of the owners of GM hold 100 shares or less.

Dr. Gerald Wrenshall of the Banting and Best Institute is one of many Canadian scientists whose continued work on the problem of muscular dystrophy depends upon public response to the MDAC national appeal for funds starting November 24th. In this experiment involving perfusion apparatus, he uses radioactive carbon to help him study the production and use of glucose, a body sugar, by the muscle tissue.

Shirley Blanchflower Curling Club President

Mrs. Shirley C. Blanchflower was elected president of the Ladies' Curling Club at a meeting in the Curling Arena on Sunday afternoon, November 3rd.

Elected to assist Mrs. Blanchflower in her duties were vice-president, Edna Fisher; secretary, Joan Duguid; and treasurer, Isabelle Spivak.

Kitchen convener for the season will be Helen Nedd.

The ladies discussed plans for participation in a week-end local mixed bonspiel that is to be held in the curling rink during the latter part of this month.

Brief plans were also discussed by the 30 present for the club's mixed 'spiel to be held the first week-end in March.

The club are urging all interested curlers to attend curling on the opening night, date of which is to be announced. New members will be welcomed into the club.

Old Age Pensioners Elect Officers

The Coleman branch of the Old Age Pensioners' Association met last week when a new slate of officers for the coming year was named. The new slate comprises:

President, Nora Goulding; Vice-president, Mrs. J. Dick; Secretary, Lena Bouthillier; Executive: Mr. and Mrs. Jack Rushton, Dave Bouthillier, Mrs. A. B. Westworth and Mrs. J. Rogers. The new slate will be installed to office at the December 3rd meeting.

A representation of the local group visited and attended Hillcrest Old Age Pensioners' Association meeting on November 12.

During the evening Mr. and Mrs. W. Roughhead were congratulated on the occasion of having celebrated their Golden Wedding Anniversary.

A vote of thanks was extended to Helen Krepinak, vocalist, and pianist Isabelle Spivak for having entertained the Association at the last meeting.

Following a social hour the meeting concluded.

Roses In November

Up to the present date Alberta has enjoyed mild weather—almost an extended 'Indian Summer'. Crocuses were recently found blooming at Hillcrest and several reports of pansies in bloom in Coleman and Blairmore.

Evidently Eastern Canada has also enjoyed mild weather, a picture on the front page of The Daily Times Journal, Fort William, Ont., carried an interesting picture of Mr. William McKee in his garden showing roses in full bloom on November 8th.

"Peppy" Oliva Manager of Grand Union Hotel

Joseph "Peppy" Oliva, a well-known Coleman man, has this week taken over a partnership in the Merkle Hotel Company, and has, as of November 15th, taken over as manager of the Grand Union Hotel.

Ray Merkle, former manager of the hotel, will move to Red Deer, after having been in Coleman for over a year.

Mr. Oliva was born in Coleman in 1912, and after having attended school here, became employed in the mines, where he worked for the past 30 years, both inside and outside. He has operated 'Pep's Coffee Shop' in Coleman for the past few years and his wife Theresa will now take over the cafe as manager.

Mr. Oliva has been very active in sports, and is presently the president of the Coleman Grands Hockey Club and is a member of the Curling Club. He is a member of the Coleman Elks Lodge.

Mr. and Mrs. Oliva have two children, Dwight Douglas attending high school, and a daughter Janice, eight.

"Warm-Up" 'Spiel Successful

The Coleman Curling Club held a very successful "Warm-Up" bonspiel over Remembrance Day week-end with 32 rinks from all over Southern Alberta and British Columbia taking part.

Draw-master for the affair was Trevor Collier. The 'spiel featured four events with four prizes in each event totalling over \$500.

Winners of the first event was the Francis Catonink rink of Blairmore; second, Sonny Richards rink of Bellevue; third, the Scheidegger rink of Coleman, and fourth, the Lou Martini rink of Lethbridge.

Winners of the second event: First, Hockstein rink of Pincher Creek; second, the Smythe rink of Pincher Creek; third, the Lorne Perschweiler rink of Coleman and fourth, the Don Duguid rink of Coleman.

Winners of the third event: First, R. Vanoni rink of Blairmore; second, R. Koury rink of Coleman; third, the Jack Ostash rink of Coleman, and fourth, the Fontana rink of Coleman.

Fourth event winners were: First, the Chick Roughhead rink of Coleman; second, the George Jenkins rink of Coleman; third, the Emil Aiello rink of Coleman, and fourth, the E. Lutz rink of Pincher Creek.

Awarded Scholarship

Mr. Gerald J. Ryznar of Coleman has been awarded the California Standard Oil Company scholarship in Geology worth \$400. Mr. Ryznar is a fourth year Honors Geology student at the University of Alberta in Edmonton.

Winter Works Projects Studied

Winter works projects took a considerable portion of the town council meeting Tuesday evening, November 5th, when Foreman Hector Pivdor presented the council with a list of suggestions for their consideration. After going through the list a motion was made by Councillor Joe Hanrahan that the secretary make application to the governments for approval on the projects so that work can start without delay.

Included in the suggestions were the construction of a storm cesspool in the alley at the rear of the Little Chief Service Station, where run-off causes many drainage problems. A new cesspool in the rear of Filewich's alley, and also to increase in size the present cesspool near the Castellano residence.

Need for a new bridge in the back alley by Feruccio DeCecco's residence was also suggested, as it was reported that the present bridge is in poor condition.

Construction of a retaining wall on the west side of the tennis courts was another suggestion as well as blasting the rocks off of the West Coleman bluff so that the road may be widened.

Improvements to various sections of the town's drainage system and construction of a rock wall adjacent to the sidewalk in

the vicinity of the Ernie Lant residence was also mentioned.

Installation of some 150 feet of 12-inch galvanized pipe by the underpass to improve drainage from the new sub-division. This water would run into the creek at the town park. New fences around the south and east sides of the Union cemetery are also required.

Need for a building to house the town equipment was also suggested, but it was felt that this would be a rather expensive project at the present time, and this matter will be looked into further and possibly budgeted for with a view to taking this matter up under next year's winter works projects.

The Public Works committee will look into the possibility of finding a suitable location where a town garage, storage yards and shop could be built.

GRANDS RE-ORGANIZE

The Coleman Grands Hockey Club held a re-organizational meeting last week when a new slate of officers was elected.

Heading the hockey club are: President, Peppy Oliva; Secretary, John Miller; Manager, Gordon Fisher.

The executive comprises: Bill Fraser, Tony Coccione, E. Lant, Skip Getman and Joe Hanrahan.

The club have not entered any league but plan on playing a number of exhibition games with the Foothills League teams and other Southern Alberta and British Columbia teams. The club may enter the league at playoff time.

Practices are scheduled to get underway this week and any interested or prospective players, wishing to try out for the Grands, are invited to come out to practices.

Scout Group Committee Elect Officers

A new Group committee to take over Scout and Cub troop duties was organized this fall with the following officers being elected:

Chairman, Mark Venier; Secretary, Graham Atkinson; Treasurer, Betty Szymanski; Bottle Drive chairman, Arthur Tomsett.

An executive committee was also appointed.

At the first organizational meeting it was reported that two new Scout leaders were taking charge of the lads. The new leaders are Frank Milner and Merv Onus.

Fall meetings are to start in the near future and it is expected that some 20 Scouts will comprise the troop.

The Cub packs are under the leadership of Tony Storcer, while Irene Ondrus and Helen Dorusak have charge of the second pack.

It was also announced at the meeting that Tony Storcer of Coleman has been appointed as District Cubmaster for the Grizzly District.

Meanwhile a Brownie Pack, under the supervision of Doreen Colewell and Mrs. Phyllis Storcer, has been organized and is in full swing, while plans are presently being completed for a Girl Guide Group to be formed under the supervision of Miss Hatchard and Miss Urano.

In 1962 advertisers again spent more money in newspapers than in any other medium, and the newspaper remains overwhelmingly dominant as a local advertising medium.

Coleman Observes Remembrance Day Ceremonies

Remembrance Day ceremonies were held at the Coleman Cenotaph under ideal weather conditions. A bright sun, with the temperatures in the mid-fifties, combined to give a great assist to the Royal Canadian Legion's Day of Remembrance.

Under the very capable chairmanship of Mrs. Bertha Crippen, assisted by Mr. A. Krywolt, Mr. Ray Steurbaut and Mr. R. Crippen, the parade, which has been absent for the past few years, once again showed itself on Coleman's streets. Led by the Color Party of the Canadian Legion, band of RCME, veterans of two World Wars, RCME squads and cadets from the Blairmore detachment, Brownies and Cub packs, of Coleman, all led to a very impressive parade.

Ceremonies at the Cenotaph were in the very capable hands of Mayor Jack Ostash, master of ceremonies. The Rev. H. G. DeLeeuw gave the opening prayer and the Benediction. Roll Call was handled by Mr. Crippen for the Second World War veterans, for Mr. Cytok, who was unable to attend.

For the First World War veterans, Mr. Steurbaut read the Roll. Mayor Ostash gave a brief but inspiring address on "Why We Remember". Many wreaths were placed on the Cenotaph in memory of department veterans.

The Last Post and Reveille were sounded by Bugler Frank Edl. The ceremonies concluded with God Save the Queen. Upon completion of the Cenotaph ceremonies the parade re-formed and marched down main street to Holyk's corner, back to the Central school, where it was dismissed.

The Legion expressed its deep appreciation to the members of the RCME band and all members, including the fine job done by the Firing Party. To the Coleman Brownie Pack and the Cub Packs of a splendid turnout. Their leaders are to be congratulated.

The Legion also expressed its regret that due to lack of time in arranging the Remembrance Day ceremonies it was unable to publicize the parade as they so desired.

The Legion wishes to acknowledge the further purchase of wreaths by firms who had not been included in the previous list of sales—Coleman Collieries Ltd., Empire Coffee Shop, The Canadian Imperial Bank of Commerce.

Wreaths will be taken from the Cenotaph and placed on the graves of all known veterans in both cemeteries of Coleman by the committee.

CENTENNARY PLANNING

You have to hand it to the Canadian Centennial Council for the way they have spurred interest in the project. When a planning Symposium was announced for Manitoba, October 27 through 29, registrations from interested organizations and individuals came in so fast it was apparent that many organizations are looking for guidance, and eager to do their part.

It has often been said that Canadians are lacking in awareness of their national identity. Judging from the interest in this Symposium, I would say that if this is so, most Canadians are eager to rectify the situation.

Educational groups, radio and television stations, religious bodies, farm organizations, organized labor, and indeed almost every sector of Manitoba society has shown keen interest in participating. I assume that similar interest has been shown across Canada.

The Manitoba Symposium will deal with ways and means of accelerating the awareness process. It will provide a sort of three-way conversation between English, French, non-English and non-French groups.

The panel of speakers includes many who are household names throughout the land. There will be a great deal of argumentative give and take, and a lively three days are assured.

It seems to me that these Symposiums will

be of inestimable value to Canada. It is too bad that something of this nature had not transpired immediately after the war. We have waited a bit too long — but better late than never.

Canada is a great land, with great people. We have somehow, since the end of the war, lost our sense of identity. We have been coasting. We have lost some of the sense of unity we once had. In my opinion, Symposiums such as the one planned for Winnipeg this month may help us to take stock and make a fresh start.

**Child's Dream . . .
Fireman's Crusade**

For the tenth year in a row, Canada's fire fighters will turn out this month to help make a dream come true for thousands of Canadian children.

The dream is that a cure will be found for Muscular Dystrophy.

The fire fighters will help make it come true by taking part in the Muscular Dystrophy Association's annual appeal for funds.

They will be calling at doorsteps from Halifax to Vancouver, enlisting public support for a medical research program that has already awarded over \$2,000,000 to scientists in every major research centre and hospital in Canada.

These are the scientists who are looking for a cure for Muscular Dystrophy.

In addition to door-to-door canvassing fire fighters will be placing MDAC's income for medical research.

This project is not a casual one for the fire fighters. The measure of their concern is reflected in a resolution passed by the Canadian Association of Fire Chiefs last August endorsing MDAC's research program and the fund-raising activities of all groups associated with it.

This resolution follows and sup-

ports the long-standing pledge of the International Association of Fire Fighters to support the fight against Muscular Dystrophy until the disease is conquered and eliminated.

Letter to the Editor

1712 Donnelly Ave.,
Victoria, B. C.,
Nov. 1, 1963.

Mr. Thomas Holstead,
Coleman, Alberta.

Dear Tom:

I enclose a money order for \$2 covering my renewal to The Journal.

I have been reading about the fine weather reports in that part of the country and I hope you will continue to get bright, warm days to shorten the coming winter. We have had a lot of rain this past week but today has been lovely and I hope the dry spell will continue.

I was pleased to learn through the press that the mines have been working steady and that the Pass is enjoying some prosperity. I am sure the new school is most welcome and both teachers and pupils will benefit greatly from this new building.

With kindest regards to Mrs. Holstead and yourself.

Very sincerely,

FRANK H. GRAHAM.

THREE HUNTERS ASPHYXIATED

A tragic accident claimed the lives of three Coaldale men over Remembrance Day weekend. Dead are Abraham Peter Nikkel, 52; Peter Wiebe, 27, and Leon Brymerski, 26 years of age. The men were found dead in their home-made trailer just off the road in Happy Valley, a few miles east of the Walrond ranch. Death was caused by asphyxiation.

The men, on a hunting trip, had parked their plywood trailer a few yards off the road and had apparently gone to bed, and had a charcoal burner burning in the trailer. There were no windows or ventilators in the trailer.

A second hunting party, com-

prising Frank Oxley, Douglas Oxley and Edward Hager, all of Calgary, parked about 50 yards away from the decedents' trailer, about midnight Friday, and about one a.m. one of the men in the Oxley trailer noticed the other trailer near theirs.

Next morning the Oxley party got up about six o'clock and went hunting, returning about noon. Seeing no activity around the other trailer, Frank Oxley went over to the decedents' trailer, which was still hooked onto the car and opened the trailer door and looked inside and found the three dead men.

He immediately notified game officials and the RCMP police of the Blairmore detachment, who are investigating the accident.

Coroner F. S. Radford of Blairmore stated that no inquest would be held into the matter.

Nikkel, 52, was born January 25, 1911, and is survived by his wife and five children of Coaldale. Peter Wiebe, single, was born in Coaldale on January 13, 1936, and Leon Brymerski, 27, and also single was born August 10, 1937.

Hall's Funeral Services Ltd. of Blairmore were in charge of the arrangements.

Coleman Light & Water Company Elect Officers

The Coleman Light and Water Company held its regular meeting on Tuesday evening, November 5th, when Mayor Jack Ostash was elected president; Councillor Mel Cornett, a director; Secretary T. A. Collister, and Councillor John Holyk, the treasurer.

The matter of lowering electrical rates for the Coleman Skating and Curling arenas was discussed and it was decided to reduce the rates from 2½¢ per kilowatt hour to 2¢. This will mean a saving of some 11 per cent to the arenas this season.

Director Mel Cornett reported that the town's electrician, Ernie Montabetti, was progressing with his repair work to the town's electrical system. He stated that there was several thousand feet of wiring in town being replaced as the present lines were bare of their insulation and needed replacing. The improvement work has been going on since last year.

A complaint was received regarding the town power being cut

off for one hour on a Saturday morning which inconvenienced a great many persons, such as butcher shops, who could not use their grinders or meat slicers, electric cash registers and garages, who could not use their electrical tools or electrically operated gas pumps.

Company will advise the electrical department that in future that power shut-offs be advertised and if the work to be done is not an emergency, that it be done on Monday when most business houses in town are closed.

The town electrician will be asked to present a monthly report on what work has been done by the department during the month previous to the meeting.

Fire Chief J. Kinnear Presents Report

Fire Chief John Kinnear presented his quarterly fire report to town council Tuesday evening, November 5th, which showed that the brigade had spent an active summer.

During the three-month period the brigade answered a total of six calls, three of which were grass fires; one burning sawdust pile on company property, another an abandoned garage and the last was a vacant residence which gave firemen a tough battle.

The department indicated they were of the firm belief that all of the fires were caused by children playing with matches.

The report also showed that the brigade now has a strength of 12 men due to several of the brigade members resigning. It is expected that replacements will be made in the immediate future.

Fire Chief Kinnear also reported

that he had received information in mid-October from the Department of Municipal Affairs advising that the town should be receiving an auxiliary fire pump directly from Toronto, Ont., for use in the I.D. district. The pump has a capacity of 200 gallons per minute at 100 pounds pressure and can handle up to six hoses. The pump is valued at \$1500.

Brigade members are building a club room in the basement of the town hall and this project will soon be completed.

The fire engine, which was recently overhauled, is now in top shape.

Crows Nest Pass Development Assn.

Meeting held in the Blairmore Council Chambers on Wednesday, November 6, 1963, at 7:30 p.m.

After the routine business of the Association had been conducted, President D. A. Duguid introduced Mr. E. B. Ferguson, Co-ordinator of Industry for the City of Lethbridge, whose services had been so willingly donated by the city council.

Mr. Ferguson stated his opinions and outlined direction to the Association, in the implementation of its objectives.

BENEFITS:

1. New job opportunities.
2. Increased trade and business activity.
3. More spendable income.
4. Increased population.
5. Increased revenue from taxation.
6. Improved community services.

ORGANIZATION:

Continuing of the personnel of the Association is all important. Where there is dedication and re-

sponsible personnel it is indeed highly advantageous if they would act for a minimum of five years, said Mr. Ferguson.

He suggested, plan a two-to-three-year program of the Association objectives and set a target for each. The success of this program depends on imaginative and patient people to sustain a well-planned, comprehensive program. This would be dependent on community support, if it is to graduate from the local level up to the national level.

An annual budget should be determined, bearing in mind, that money spent on industrial promotion, is the only expenditure a municipality makes that is directly productive of new wealth. He pointed out that social services such as sewers, sidewalks, hospitals, etc., are tax consuming, and industrial development results in tax production.

All industrial sites should be evaluated as to all facts catalogued together with an inventory of each community. This would result in a self-appraisal of the area and also the preparedness of the re-

gion for new industries.

PROMOTION:

He outlined three methods of promoting industrial development:

1. Assist people with ideas for new industries.
 2. Encourage expansion of existing industries.
 3. Attract new industries.
- In ascending order of cost and effectiveness, this can be undertaken by the following means:
1. Direct mail.
 2. Telephone calls.
 3. Advertising in trade and financial papers.
 4. Personal calls.

He remarked quite strongly on—Your own citizens can be tremendous assistance to the Association. In selling this area to others, people of the community are actually selling the preservation of their own jobs, business or professions. The Pass has the potential to develop industrially and it also has the calibre of people to bring about this development.

Chairman Don Duguid expressed the sincere thanks of the Association for Mr. Ferguson's inspiring remarks and also his valuable assistance. In all likelihood we would be making further requests in this regard. Mr. Ferguson expressed his willingness.

The Association, during a general discussion, brought up the matter of sewer requirements of industries. This resulted in the following motion:

"That each representative, approach their respective Councils relative to a trunk sewer line from Coleman to Bellevue. This would be advantageous in attraction of industries".

A further motion was moved to the effect:

"That since the only passenger railway train service may be taken off during the early months of 1964, that we respectfully request that the Provincial Government instruct the Greyhound Lines to improve their schedule through the Pass".

C. Woodward,
Secy.-Treasurer:
Box 38,
Bellevue, Alberta

Firemen's Ball Real Success

The Firemen's Annual Ball, held in the Elks hall, was very well attended and winner of the transistor radio drawn for by the firemen, was Mrs. M. Neuman of Coleman.

Prior to the dance the firemen and their wives enjoyed a banquet supper in the firemen's new club rooms located below the council chambers.

During the dance prizes were provided for spot dancing. Proceeds from the annual affair are used by the firemen for various projects they undertake such as a Children's Christmas Tree and essay and poster contest during Fire Prevention Week.

NATIONAL BUSINESS HEAD
Howard T. Mitchell

Vancouver, B. C., has been elected president of The Canadian Chamber of Commerce at the national business organization's 34th annual meeting in Quebec City, Que., on October 6, 7, 8 and 9, 1963.

He was formerly first national vice-president.

In business life Mr. Mitchell is president and founder of Mitchell Press Ltd., publishers of periodicals mainly in the business and industrial fields, and commercial printers.

Born in Ship Harbour, N. S., in 1902, Mr. Mitchell was educated in Vancouver, and at an early age entered the newspaper field. He was a reporter on The Vancouver Province and business editor of the Vancouver Sun.

Aveteran in Chamber of Commerce work, he has served on many national and international committees of the Canadian Chamber. He takes over from Victor Oland, Halifax, former president of The Canadian Chamber of Commerce.

The Official Opening

of the

JUNIOR CITIZEN AWARD WINNER

STEPHEN KOVACS

JASPER PLACE, ALBERTA

At a recent meeting of the Jasper Place Chamber of Commerce a well deserved tribute was paid to our sixteen year old award winner. It was an award carrying the fitting title "Young Giant" - given annually to a citizen of Jasper Place for outstanding achievement.

Stephen as you can tell is no ordinary boy. A victim of the tragic Hungarian Revolution, Stephen and his parents fled Hungary and eventually came to Canada.

Stephen knows what it is like to overcome the bitterness of having to leave his homeland. This knowledge stands him in good stead to help other new Canadian boys and girls.

He is secretary of the Senior vanguard Platoon of the Order of St. Michael - a position that enables

him to help many teenagers with their problems by enlisting them in the educational, cultural and recreational activities of the Order.

He excels in swimming, and last year was awarded the Junior, Intermediate and Senior Bronze Medallion and Award of Merit. He is a Senior Leader in swimming and last summer entered all

swimming meets in and around Edmonton.

He has completed his first year of training in a recreational leadership course and is a Recreation Commission instructor at the Jasper Place Swimming Pool.

He's a good student too, and a boy who knows what it means to give of himself to his community.

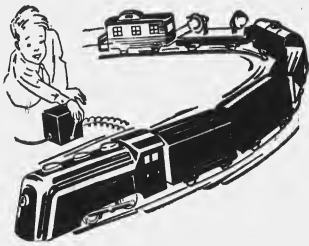

We join with the editors of Alberta's weekly newspapers in extending congratulations and best wishes to Stephen Kovacs.

This is one of six announcements about the 1962-63 Junior Citizen Award winners. Calgary Power Ltd. gratefully acknowledges the active participation of Alberta's weekly newspaper editors, whose enthusiasm has done so much to make the Alberta Junior Citizen program possible. For this winner our special thanks go to M. St. Jean de Branscoville, Grand Master of the Order of St. Michael and to the Editor of the Jasper Place Suburban Times, who nominated Stephen for the award.

A SHOW FROM TWO CITIES

Top stars from both English-speaking and French-speaking Canada will be seen this season in four bilingual one-hour variety programs to be carried simultaneously on both the English and French television networks of the CBC. On location in Montreal for a scene from the first Show from Two Cities (French title is *Deux villes se rencontrent*) are Lisa LaSalle (left) of Montreal and Shirley Harmer of Toronto. This show will be seen on Sunday, Nov. 17. The production of the series is being shared by program and technical staffs of both networks.

Blairmore Man, John Uhrin, Passes Nov. 10

John Uhrin, Blairmore old-timer, was found dead in his home here Sunday, November 10th. The retired miner had last been seen on Saturday.

Requiem High Mass was celebrated from St. Anne's Catholic Church in Blairmore. Rev. Dean Tessier officiated and burial took place in the family plot. Fantin's Funeral Service Ltd. was in charge of arrangements. Born in Czechoslovakia, Mr. Uhrin immigrated to Pittsburgh, Penn., at the age of 11, and worked in the mines there until moving to Canada in the early 1900's. He settled in the Crows Nest Pass where he was employed in the mines at Lillie, Frank and in Blairmore.

He was predeceased by his wife Mary in 1960, a son Joe in Salmo, B. C., in 1963, and a daughter, Mrs. M. Alice Litvak of Blairmore in 1947. Survivors include one son Phil, Lt. George Uhrin stationed with the RCAF in Ottawa; three daughters, Mrs. Walter (Annie) Seyer, Botha, Alberta; Mrs. Bruno (Margaret) Gentile, Coleman, Alberta; and Mrs. Bennie (Veronica) Fontana of Coleman, Alberta; one stepbrother, Mike Perozak of Blairmore; 18 grandchildren and seven great grandchildren.

John Yuris Passes November 13

A resident of Hillcrest most of his life, John Yuris, 49, died in the Pincher Creek Hospital Wednesday, November 13, after a lengthy illness.

Requiem High Mass was celebrated Saturday, November 16 at 11:30 a.m. from the Bellevue Catholic Church with Rev. S. Henke in charge. Interment followed in the Hillcrest Catholic cemetery. Fantin's Hillside Service was in charge of arrangements.

Friday evening at 8 o'clock prayers were said at Fantin's Chapel in Coleman.

Mr. Yuris was born in Corbin, B. C., and moved to Hillcrest with his parents when he was an infant. For the past five years he had been employed as maintenance man with the Alberta Department of Public Works. He was a member of the Civil Servants' Association.

Survivors include his wife Helen and five children in Hillcrest, John, Tom, Sandra, Carole and Terry, and one daughter Marlene, in Edmonton; also two sisters, Mrs. Mike (Ann) Gregory and Mrs. Bill (Mary) Kovach, both of Hillcrest.

Awarded BSc. Degree

Miss Jean Rosalie Kindt, Reg.N., daughter of Dr. Lawrence E. Kindt, M.P., and Mrs. Kindt, was awarded the degree of Bachelor of Science in Nursing at Fall Convocation of the University of Alberta at Jubilee Auditorium, Calgary on November 9, 1963.

Miss Kindt is Public Health Nurse at Dawson City Yukon. She completed her high school at High River, Alberta, and received her Reg.N. at Graduation Exercises of the University of Alberta Hospital, Edmonton, last October (1962).

Older Workers Plan Given Little Response

The Federal government's older worker training incentive plan has received little response in the Crows Nest Pass area, the Manager of Blairmore National Employment Service reported Thursday.

Under the Plan, employers who provide jobs on training for employees over 45, will receive incentives up to \$75 a month from the Federal Government.

Applications for employers and employees are available upon request for those who qualify under the new plan at the Blairmore NES office.

C. Y. O. Hosts At Party

The Coleman C.Y.O. were hosts at a party held in the Catholic hall Sunday evening, November 10th, when 151 young people from Michel, Fernie, Blairmore, Bellevue and Hillcrest and a bus-load of 78 young people from Twin Butte and Pincher Creek attended.

A program of entertainment directed by master of ceremonies, Denis Collisier, was enjoyed, after which a buffet lunch was served. An evening of games and dancing was then enjoyed.

Gordon Wilson of the R. C. A. F. has returned to his base at Clinton, Ont., after visiting his parents.

Christy Lea Wilson of Calgary is visiting her grandparents Mr. and Mrs. W. Wilson.

Malcolm MacQuarrie who is taking an X-Ray Technician course at the Municipal hospital, Lethbridge, visited his parents Mr. and Mrs. A. MacQuarrie.

Donald Fleming attending Junior College at Lethbridge, visited his parents Mr. and Mrs. M. Fleming.

Joey Trotz celebrated his twelfth birthday and brother Gary his ninth at a joint party at their home on Nov. 16th with 25 friends present. Dancing and Games was enjoyed, after which a delicious supper was served including a candle decked birthday cake. Their mother Mrs. J. Trotz and grandmother, Mrs. M. Antel served and supervised the party. All joined in singing "Happy Birthday" and "For They are Jolly Good Fellows" to Joey and Gary.

Mrs. Clara Antel, now residing in Nova Scotia, visited her sister Mrs. G. Dau at Blairmore and her sister-in-law Mrs. M. Antel in Coleman. Mrs. Antel and the late Mr. Wm. Antel lived in this area for approximately 40 years, when Mr. Antel was a Forest Ranger in this district and served as Chief of Police for Coleman.

Friends are pleased to see Mrs. W. Hoggan home, again after undergoing surgery in the Holy Cross Hospital in Calgary.

Mrs. Lottie Boulton visited at Calgary over the Armistice week-end. While there she visited Mrs. E. Richards and found her very comfortable and enjoying good health. She also visited Mrs. R. (Helen) Evans and Mrs. Annie Haynes. All send best wishes to old friends here.

Mr. Alex Samuel of The Canadian Imperial Bank of Commerce staff here spent Armistice week-end visiting at his home in Edmonton.

Mr. and Mrs. Melvin Horn and family of Fernie, B. C., visited at the home of the former's parents, Mr. and Mrs. G. Horn.

Mr. and Mrs. Ron Jenkins and family of Cranbrook, B. C., visited at the home of the latter's mother, Mrs. Mary MacQuarrie.

Warren Anderson, attending Calgary Tech., visited his parents, Mr. and Mrs. N. Anderson.

Miss Margaret (Peggy) McDonald of Lethbridge, visited at the home of her mother, Mrs. J. A. McDonald during the Armistice week-end.

'63 Construction Program Completed

The Hon. Gordon E. Taylor, Minister of Highways, announced today that the construction program for 1963 has been virtually completed.

A.—249 miles of seal coat work has been done which was the program planned.

B.—287 miles of plant mix surfacing has been applied—293 miles were in the program;

C.—335 miles of base course has been laid—347 miles were in the program;

D.—404 miles of grading has been completed out of 434 miles planned.

Finishing up work on the small balance of the program is still in progress.

During the season 1533 shifts were lost throughout the province due to rain or inclement weather; in 1962, 1892 shifts were lost.

"In most areas of the province the weatherman was most co-operative in 1963 and the program planned was virtually completed," the Minister stated.

Wedding Announcement

Mr. and Mrs. Bert Bond wish to announce the marriage of their eldest daughter, Beverley Mae, to Dr. Victor Martinez on November 2nd, 1963, at Coeur d'Alene, Idaho, U. S. A.
